The Coming Apostasy

Are we on the verge of a great apostasy in the church? “For a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths.” —2 Timothy 4:3-4 Jesus Christ is coming back. It is certainly a Christian’s greatest hope during these difficult times. The Bible warns us that the last days will be tumultuous—wars and rumors of wars will spread (Matthew 24:6). In our age, the world seems to be spinning out of control, creating fear, confusion, and uncertainty. In addition to violence, pestilence, and epidemics, the Bible predicts a great “falling away” from God in the end times. Bible teachers call that “the great apostasy.” Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching? Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time. Are today’s teachers allowing people to follow their own desires by telling them what they want to hear, as the Bible clearly predicts? Are major portions of the church ready to abandon sound and wholesome teaching? Together, Mark and Jeff

explore alarming trends among today's church leaders and they are simply stunned by what they discover. The great apostasy is coming, but is it closer than we imagine? What does that mean for the future? Let Mark and Jeff be your steady guides to the difficult days ahead.

The Paradise Prophecy

Prepare yourself for the paradise prophecy. Then pray it isn't happening. An iconic, near saintly, pop singer dies suddenly, tragically in an inexplicable fire. She's only the first victim in a series of similar, unspeakable deaths. Bernadette Callahan is an investigator at a shadowy government organization. She's on the trail of a serial killer with ungodly means of disposal. Religious historian Sebastian LaLaurie knows that the crimes are more than the work of a psychopath, and that Bernadette is closing in on something she never bargained for. Now Sebastian must convince Bernadette to believe—in the power of fallen angels in disguise. In the ancient clues of the Bible. In the hellfire of a coming apocalypse. In the prophecies of Paradise Lost. And ultimately, in the unholy conspiracy upon them, one far beyond the scope of mankind's darkest imagination. And one that no human can stop.

The Book of Revelation

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World, Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

The Book of Revelation Unveiled at Last!

What in the world happened in 1844? Followers of William Miller and the Millerite movement expected the Advent, the Second Coming of Jesus, in 1844. When the Advent did not happen as expected, the Great Disappointment ensued. Miller was wrong. But was he? Did the spirit of Christ return in 1844 in the Middle East? The dawn of God's Prophets of today's major religions had all arisen in the East. After the Great Disappointment, the Millerite movement splintered into many Adventist sects, and the history of the three remaining today—the Advent Christian Church, the Church of God (Seventh-day), and the Seventh-day Adventist Church—is given. In the East, the year 1844 saw the emergence of the Báb, the Herald of Bahá'u'lláh, and the Bábí movement, and then the emergence of Bahá'u'lláh, the Prophet of the Baha'i Faith. These events are likewise presented. Miller followed biblical guidance as best he could, and he may well have been part of God's plan in the nineteenth century. Miller and other Adventist Bible scholars did accurately pinpoint the year 1844, but events unfolded a world away in Persia and they had no inkling of them. Today the world suffers increasingly from the divisive forces of strife and intolerance, armed with strident ideologies and weapons that could kill countless millions of people. What is the destiny of our global civilization? Has divine light once again risen from the East for our day? Explore the prophecies of Daniel and follow the events in nineteenth century East and West to an amazing conclusion that will affect everyone.

Prophecy of the Sisters

With an uninterrupted printing history since it was first published in 1939, this classic interpretation of the book of Revelation has served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that \"we are more than conquerors through Christ.\" Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

More Than Conquerors

Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts. Divine Scapegoats is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: 2 Enoch and the Apocalypse of Abraham. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the Apocalypse of Abraham, the divine light and darkness of 2 Enoch, and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov's consideration.

Divine Scapegoats

As seen on EWTN, bestselling author Scott Hahn unveils the mysteries of the Mass, offering readers a deeper appreciation of the most familiar of Catholic rituals. Of all things Catholic, there is nothing that is so familiar as the Mass. With its unchanging prayers, the Mass fits Catholics like their favorite clothes. Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them. Pope John Paul II described the Mass as \"Heaven on Earth,\" explaining that what \"we celebrate on Earth is a

mysterious participation in the heavenly liturgy.\" The Lamb's Supper reveals a long-lost secret of the Church: The early Christians' key to understanding the mysteries of the Mass was the New Testament Book of Revelation. With its bizarre imagery, its mystic visions of heaven, and its end-of-time prophecies, Revelation mirrors the sacrifice and celebration of the Eucharist. Beautifully written, in clear direct language, bestselling Catholic author Scott Hahn's new book will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

The Lamb's Supper

Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as The Secret Destiny of America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to \"one nation under God.\" Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.

The Making of the New Testament

Second Edition (not minor revision) If you are looking for an analysis of Babylon the Great, to determine if it might be the United States of America, then this book is for you. One of the most difficult things I had to do in order to correctly interpret Bible prophecy, was come to the realization that America is Babylon the Great (BTG). I did not want to believe it. But after years of study, the evidence forced me to that conclusion. Then I realized, that most nations of the world will suffer great destruction to one degree or another, based on their sins. So America will also suffer for its sinfulness. I also came to understand that Babylon the Great (BTG) is not all of America, it is ONLY wicked America. God will destroy wicked America, but he will save a righteous remnant from those who do not go in the Rapture, to rebuild the nation. During the past 10 years I saw such great decline in America, that I can now see why America will be destroyed, and also why it must be destroyed. But America will NOT be destroyed before the start of the Great Tribulation (GT), which is so often claimed, but will only be wounded at the start of the GT, but will be nuked and then invaded at the end of the GT. The nuclear war and invasion of America are the last acts of the beast (a Revised Islamic Empire) and its allies (Russia and China and North Korea), in its attempt to totally destroy Christianity and the Christians in America. Then Christ returns to save the world by destroying the evil that is taking over the world. Many people misinterpret Babylon the Great (BTG) harlot, prostitute, in Revelation 17 and 18. She has been interpreted to be, the Roman Catholic Church, the Protestant Church, Jerusalem, Islam, Saudi Arabia, and who knows what else. I will provide a mountain of evidence and explain in detail how America is political Babylon, which is the government of the United States of America; cultural Babylon, which is the polluted culture of America that is formed by movies, TV, and music; and economic Babylon, that is capitalism which is headquartered in America; America being the premier capitalist nation in the world. If Babylon is also a city, then it is New York City. Like my other two books on Bible prophecy, there is a lot of

new insights in this book that are not found in any other book on Babylon the Great and America. I also discuss the Old Testament references to an end-time Babylon, which is not a rebuilt city in Iraq, but can only be the same as Mystery Babylon in Revelation. And I will discuss the founding of America, how it was founded with a de facto covenant with God ("de facto" means being in effect though not formally recognized). But America also is chosen of God because it was one of the nations that God promised to Abraham. Yes, God promised Abraham more than one nation! It is likely the main reason that America became the greatest and most powerful nation the world has ever seen. I also show how America will be split into three parts by a huge global earthquake (Rev. 16) after it betrays Israel. One split will be along the Mississippi River, the other in California. This book also includes a discussion of Gog and Magog of Ezekiel 38, which gives us details for two wars, not just one. One will be an invasion of Israel; the other will be an invasion of America. In the appendix I discuss the misinterpretation of Walid Shoebat, showing that his view of BTG being Saudi Arabia is grossly wrong. This is Book 3 of the Bible Prophecy Revealed series, which is a complete teaching on Bible prophecy. If you liked the other two books, you will like this one. (This is edition 1.75 with some slight improvements.) (Book 4 is now available).

The Secret in the Bible

George N. H. Peters (1825 – 1909) was an American Lutheran minister whose life work, this three-volume defense of non-dispensational premillennial theology, was published in 1884. Wilbur E. Smith calls it “the most exhaustive, thoroughly annotated and logically arranged study of Biblical prophecy that appeared in our country during the nineteenth century.”

The FALL of BABYLON the Great AMERICA

God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Jonny Enlow. He describes seven culture-shaping areas of influence over each society—media, government, education, economy, family, religion, and celebration (arts and entertainment)—that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this “spiritual tsunami,” as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each “mountain” of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain.

The Theocratic Kingdom

Wonder, Horror, Mystery is a dialogue between two friends, both notable arts critics, that takes the form of a series of letters about movies and religion. One of the friends, J.M. Tyree, is a film critic, creative writer, and agnostic, while the other, Morgan Meis, is a philosophy PhD, art critic, and practicing Catholic. The question of cinema is raised here in a spirit of friendly friction that binds the personal with the critical and the spiritual. What is film? What's it for? What does it do? Why do we so intensely love or hate films that dare to broach the subjects of the divine and the diabolical? These questions stimulate further thoughts about life, meaning, philosophy, absurdity, friendship, tragedy, humor, death, and God. The letters focus on three filmmakers who challenged secular assumptions in the late 20th century and early 21st century through various modes of cinematic re-enchantment: Terrence Malick, Lars von Trier, and Krzysztof Kieślowski. The book works backwards in time, giving intensive analysis to Malick's *To The Wonder* (2012), Von Trier's *Antichrist* (2009), and Kieślowski's *Dekalog* (1988), respectively, in each of the book's three sections. Meis

and Tyree discuss the filmmakers and films as well as related ideas about philosophy, theology, and film theory in an accessible but illuminating way. The discussion ranges from the shamelessly intellectual to the embarrassingly personal. Spoiler alert: No conclusions are reached either about God or the movies. Nonetheless, it is a fun ride.

The Seven Mountain Prophecy

..\"...., Awake thou that sleepest, and arise from the dead, and Christ shall give thee light.\" Ephesians 5:14 (KJV) The Church of Jesus Christ is asleep. Bible Prophecy has not been taught in most churches in thirty years. Christians are not prepared for the dark days ahead. The Spirit of Anti-Christ is enthroned in Washington DC and the One World Religion mentioned in Revelation Chapter 17, Whom the Apostle John called \"The Whore of Babylon\" - \"Mother of Harlots\" is positioned and ready to prepare the way for The Anti-Christ. (The Man of Sin) I expose the Harlot who rides the Beast. I show how she first appeared in the Garden of Eden, and continued to appear throughout every world government from Nimrod and His Tower of Babel to our present forming New World Order. The Harlot is Alive in the United States of America working very hard to complete her role as the destroyer of Christianity, by eliminating the Judeo-Christian Worldview and minimizing the role of Christian influence in the world. This book is a warning to Christians who are asleep. Wake up, turn to Jesus and His Word, and stop compromising your faith in order to get along with the world. Wake Up Church!!! Jesus is coming soon. Be ready for His Return.

The Darkness That Comes Before

This book was originally published in 2013 under the title Discoveries in Bible Prophecy, with slight updates every couple of years. But with the latest discovery, the author has decided to republish the book, because now there is significant evidence that there will in fact be TWO Raptures. One is just before the 7th Trumpet, and the second is before the 7th Bowl of Wrath, making the Raptures mid-trib and also pre-wrath. Fortner is not the first person to teach two Raptures, but the details are different. This is a whole new interpretation of Bible prophecy. It shows the Four Horsemen of the Apocalypse have already ridden out during the past 2,000 years of wars, famine, and persecution. The author does not merely make that assumption, he analyzes the

text to show what the four horsemen are. We are now in the period of the global birth pains of the earth, and the Trumpet judgments are next. This book proves there will never be a world government ruled by a dictator, but there will be WW3. The author discovered missiles and rockets described in detail, even the warhead, which is called a \"head that kills\" with fire, smoke, and sulfur. And contrary to popular teaching, America is in fact found in Bible prophecy, and is a major player, as you would expect. The visions of Daniel also have a new interpretation. The passage in Daniel 9:27 that is supposed to refer to a 7-year peace treaty is being grossly misinterpreted. The original Protestant view of that verse is the correct view. Daniel's vision of the four beasts and the statue with ten toes both show that there will never be a world government. Those passages are not being correctly interpreted. The Bible text never says that the ten toes will rule the world, but only the fourth beast from which the horns come. Likewise, it never says the ten toes will rule the world, but actually says they will break apart. The book also proves that the Jews must convert before Christ will return. Yes, it is plainly stated in the Bible several times! Which makes one wonder how the opposite view could become a popular doctrine. Though this book was not written against the pre-tribulation Rapture, the correct interpretation of Bible prophecy does prove the pre-tribulation Rapture theory is false, which is seen repeatedly throughout the book. The author even found the smoking gun that kills the pre-trib Rapture theory! He even presents a new interpretation of the two witnesses, using the Old Testament the author shows that the symbolic meaning of the two witnesses is Christianity, which is why they cannot be killed until they have finished their testimony, which represents reaching all nations with the Gospel. They will be killed in a global terrorist attack organized by the beast and false prophet. This is Book One in a series of 4. Michael D. Fortner analyzes the text of many Bible passages by examining the Hebrew or Greek, and consulting commentaries such as Barnes Notes on the Bible. He takes the view that the symbols of the Bible have a literal meaning that God wants us to understand, and sites the passage in Revelation 1 as proof that the symbols of Revelation have literal meaning. * Proof that the beast comes to power with the 5th Trumpet * The smoking gun that Kills the pretribulation Rapture * The United States FOUND clearly several times * Evidence the Great Tribulation could begin soon * A new interpretation of Daniel's 4 beasts * A new interpretation of Daniel's ten toes * New discoveries about Daniel's 70th week * Evidence that the Bride of Christ is not the entire Church * Proof positive that the beast will NOT rule the entire planet * Missiles and rockets described in detail, even the warhead And MUCH more.

Thief in the Night

Stephen Alexander Hunter's 'Studies in the Book of Revelation' provides clear and accurate results of the investigation of modern scholars, in language which is comprehensible to the intelligent reader of the English Bible. The Revelation of St. John has been an enigma from the earliest Christian centuries. On the one hand, it has been shunned because of its mysteriousness; on the other, it has been discredited for sober-minded, intelligent Christians by the absurd vagaries of its interpreters.

A Doctrinal Catechism

The Revelation of Revelation is a story never told before now because it wasn't to be told until now, according to scriptures. It didn't happen in a vision, not in a sudden rush of a mighty wind, but instead a gentle but profound inspiration.

A Vision of Fire

A narrative particle accelerator that zooms between Wild Turkey Whiskey and Bob Dylan, unicorn skulls and voracious librarians, John Coltrane and Lord Jim. Science fiction, detective story and post-modern manifesto all rolled into one rip-roaring novel, *Hard-boiled Wonderland and the End of the World* is the tour de force that expanded Haruki Murakami's international following. Tracking one man's descent into the Kafkaesque underworld of contemporary Tokyo, Murakami unites East and West, tragedy and farce, compassion and detachment, slang and philosophy.

Studies in the Book of Revelation

"The Secret Book of John: The Gnostic Gospel - Annotated & Explained decodes the principal themes, historical foundation, and spiritual contexts of this challenging yet fundamental Gnostic teaching. Drawing connections to Christianity, Buddhism, Hinduism, kabbalistic Judaism, and Sufism, Davies focuses on the mythology and psychology of the Gnostic religious quest. He illuminates the Gnostics' ardent call for self-awareness and introspection, and the empowering message that divine wholeness will be restored not by worshipping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves."--BOOK JACKET.

Cloud Atlas

The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In *The Rapture Exposed*, Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. *The Rapture Exposed* reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.

The Revelation of Revelation: The Book of Revelation - A Total Fraud

Did you know that Science, Astronomy, and physics actually prove the Bible's accuracy? Numbers, the Human body, our DNA, and even the heavenly bodies all point to a creator. There seems to be no contradictions between what modern society has discovered about our world and the cosmos and what the Bible reveals in hundreds of ancient scriptures and prophecies. The big bang theory, and evolution do not dispel the accuracy of the bible, but actually reinforce it! A must read for those seeking the truth in this perplexing time.

Hard-Boiled Wonderland and the End of the World

“An elegant page-turner of nineteenth-century detective fiction.” –The Washington Post Book World One rainy morning in 1871 in lower Manhattan, Martin Pemberton a freelance writer, sees in a passing stagecoach several elderly men, one of whom he recognizes as his supposedly dead and buried father. While trying to unravel the mystery, Pemberton disappears, sending McIlvaine, his employer, the editor of an evening paper, in pursuit of the truth behind his freelancer’s fate. Layer by layer, McIlvaine reveals a modern metropolis surging with primordial urges and sins, where the Tweed Ring operates the city for its own profit and a conspicuously self-satisfied nouveau-riche ignores the poverty and squalor that surrounds them. In E. L. Doctorow’s skilled hands, *The Waterworks* becomes, in the words of *The New York Times*, “a dark moral tale . . . an eloquently troubling evocation of our past.” “Startling and spellbinding . . . The waters that lave the narrative all run to the great confluence, where the deepest issues of life and death are borne along on the swift, sure vessel of [Doctorow’s] poetic imagination.” –*The New York Times Book Review* “Hypnotic . . . a dazzling romp, an extraordinary read, given strength and grace by the telling, by the poetic voice and controlled cynical lyricism of its streetwise and world-weary narrator.” –*The Philadelphia Inquirer* “A gem of a novel, intimate as chamber music . . . a thriller guaranteed to leave readers with residual chills and shudders.” –*Boston Sunday Herald* “Enthralling . . . a story of debauchery and redemption that is spellbinding from first page to last.” –*Chicago Sun-Times* “An immense, extraordinary achievement.” –*San Francisco Chronicle*

The Secret Book of John

\“The early seventeenth century witnessed a dramatic upsurge of proposals for change, in particular in religion, politics, and knowledge. In *Reformation, Revolution, Renovation*, Lyke de Vries offers an account of the Rosicrucian manifestos in this transformative context. She focuses on their call for a general reformation and traces it to medieval and early modern predecessors. The manifestos, commonly portrayed as either Lutheran or esoteric, are here analysed as revolutionary mission statements, which challenged established religious and academic authorities, drawing on various heterodox notions and radical traditions. Emphasising the universal character of these manifestos in the first book-length study of the topic, Lyke de Vries convincingly shows how their authors channeled early modern sentiments into a message of universal change, which provoked numerous strong responses from early modern readers\”--
